NFC Code Touch for Nano

Part No: 100301 (White)
Part No: 100307 (Anthracite)

About the product

Get access with encrypted or unencrypted NFC tags, via your NFC enabled smartphone or through your own unique key code.
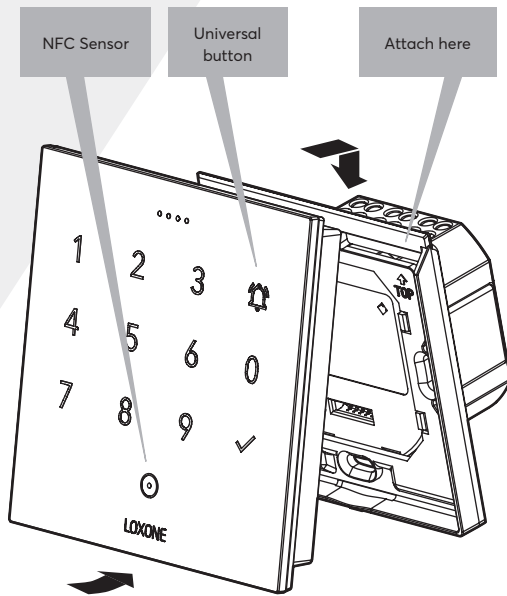

Features

- Authentication via encrypted and unencrypted NFC Tags or NFC enabled smartphones or key code
- Supports permanent, disposable or time-limited key codes
- Universal button
- Alarm-authentication

Important Information

For security reasons, we strongly suggest you only use encrypted NFC tags for access control from Loxone.

Installation

Attach the mounting frame of the NFC Code Touch to the Nano IO Air. Install the Nano IO Air in an appropriate installation box and fix the mounting frame to it. To finish the installation attach the NFC Code Touch as shown on the mounting frame.
